Suite 500, WesBanco Building  
301 Adams Street  
Fairmont, West Virginia 26554-3168  
(304) 367-9482

### DIRECTIONS

Our office is conveniently located at Suite 500, 301 Adams Street in historic downtown Fairmont on the fifth (5<sup>th</sup>) floor of the WesBanco Building. When entering the building, go through the revolving doors on the Adams Street side of the building *or*, for “no steps” access, go through the double glass doors on the drive-thru side of the building.\* Take the elevator from the ground floor to the fifth floor. Our offices are directly in front of the elevator banks on the fifth floor. There is a sign on the wall to the left of our office door clearly identifying our office. (Please be advised that we share the same office suite as the Law Offices of Vanessa Lynn Rodriguez.) We are pleased to be able to offer free, off-street parking to clients and visitors in the WesBanco customer parking lot as well as easy handicapped access.

\* For easiest handicapped access, there is an automatic-open door feature available during bank lobby hours (M-F 9:00 a.m. to 4:00 p.m.) on the bank lobby door entrance located on the Adams St. side of the building. To get to the elevator banks, go through the glass doors on the right-hand side of the bank lobby.

### FROM I-79 EXIT 132 (SOUTH FAIRMONT)\*\*(top of next page).

- Take **Exit 132 (South Fairmont)**.
- If coming from the south (Clarksburg area), turn **left** onto **U.S. Rt. 250 North**. If coming from the north (Morgantown area), bear **right** on the ramp onto **U.S. Rt. 250 North**.
- **Follow U.S. 250 North (Fairmont Ave.)** approximately 5 miles into historic downtown Fairmont.
- As you near the downtown area on Fairmont Ave., notice the cross-streets are numbered, beginning with **Twelfth Street** out near Allegheny Power’s administrative offices and Giant Eagle (on your right at the top of the hill right after crossing a bridge), and decrease to **First St.** just as you enter the historic downtown area.
- **At the intersection of Fairmont Ave. with First St., continue straight across the Colonel George S. “Spanky” Roberts Bridge** – this is the bridge with the elevator (tan structure with terra cotta roof) to the Mid-City parking lot under it.
- **At the end of this bridge**, Fairmont Ave. intersects with Cleveland Ave., and Fairmont Ave. ends and **Adams St. begins**. *Including* the stoplight at the end of the Colonel George S. “Spanky” Roberts Bridge, **go straight through three (3) stoplights** (Cleveland Ave., Monroe St., and Jefferson St.).
- **At the third stoplight**, the **Marion County Courthouse** will be on your left; the **WesBanco Building** is also on your left side at the beginning of the next block. (The **WesBanco Building** is the approximately nine (9) story building with the time and temperature display on the top of the building and also at street level.)
- **The Law Offices of Marci R. Carroll** are located in the **WesBanco Building**. *Free, off-street parking is available for clients and office visitors in the WesBanco customer parking lot; this parking lot is accessed by turning left at the far end of the WesBanco building; please see the “Available Parking” sheet for alternate suggestions if there is no space available in the WesBanco customer parking lot.*

### DIRECTIONS

\*\* When traveling approaching Fairmont from the south (Clarksburg area), this is the simplest route to take. However, you may want to avoid this route around periods of heavy rain or frequent freezes and thaws as mud and rock slides occasionally occur on Route 250.

#### FROM I-79 EXIT 137 (DOWNTOWN FAIRMONT):

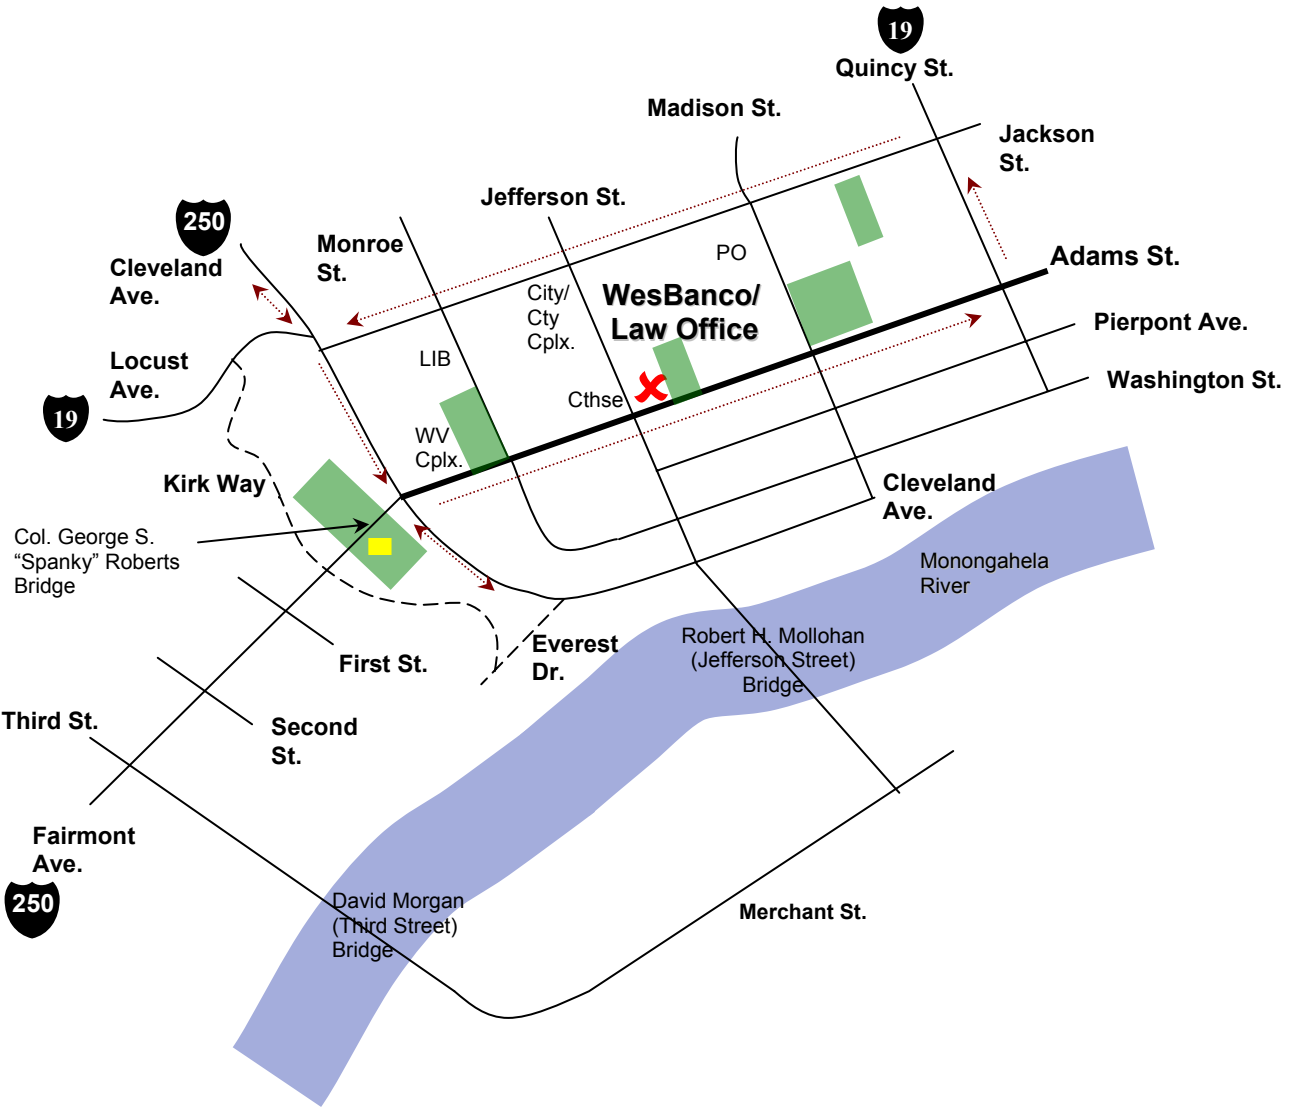

- Take **Exit 137 (Downtown Fairmont)**. If coming from the south (Clarksburg area), turn **left** off the exit ramp onto **County Route 310 North**, also known as East Grafton Rd. If coming from the north (Morgantown area), bear **right** on the exit ramp onto **County Route 310 North**, also known as East Grafton Road.
- Turn **left** at stoplight onto **East Park Ave.** (see McDonald's and Wendy's restaurants at this intersection).
- Go **straight through next stoplight** (intersection of East Park Ave. and Morgantown Ave. – see Subway and Domino's Pizza at this intersection).
- Stay on East Park Ave. and go **straight through the next stoplight** (another intersection with Morgantown Ave. – see S&M Glass on left and "Welcome to Fairmont" and "Main Street Fairmont" signs on right). As you pass the intersection at this stoplight, East Park Ave. becomes **Merchant Street**.
- **Proceed on Merchant Street to the next stoplight.** You will see two bridges at this intersection, one to the right (the newly restored Robert H. Mollohan - Jefferson Street Bridge) and one straight ahead (the David Morgan Memorial - Third Street Bridge – the one with the sharp curve in it). Both bridges cross the Monongahela River, but end up about 4 or 5 blocks apart on the other side.
- From the stoplight on Merchant Street, at the beginning of both bridges, **proceed straight, to go across the David Morgan Memorial - Third Street Bridge** and go to the next stoplight.
- At the stoplight, at intersection of Third St. and Fairmont Ave., turn **right** onto **Fairmont Ave. (U.S. 250 North)**.
- **At the intersection of Fairmont Ave. with First St., continue straight across the Colonel George S. "Spanky" Roberts Bridge** – this is the bridge with the elevator (tan structure with terra cotta roof) to the Mid-City parking lot under it.
- **At the end of this bridge**, Fairmont Ave. intersects with Cleveland Ave., and Fairmont Ave. ends and **Adams St. begins.** *Including* the stoplight at the end of the Colonel George S. "Spanky" Roberts Bridge, **go straight through three (3) stoplights** (Cleveland Ave., Monroe St., and Jefferson St.).
- **At the third stoplight**, the **Marion County Courthouse** will be on your left; the **WesBanco Building** is also on your left side at the beginning of the next block. (The **WesBanco Building** is the approximately nine (9) story building with the time and temperature display on the top of the building and also at street level.)
- **The Law Offices of Marci R. Carroll** are located in the **WesBanco Building**. *Free, off-street parking is available for clients and office visitors in the WesBanco customer parking lot; this parking lot is accessed by turning left at the far end of the WesBanco building; please see the "Available Parking" sheet for alternate suggestions if there is no space available in the WesBanco customer parking lot.*

### **AVAILABLE PARKING**

#### **WESBANCO CUSTOMER PARKING LOT**

WesBanco Customer parking lot is adjacent to the WesBanco Building. This free, off-street parking lot is available on a first-come basis for clients and visitors to tenants of the WesBanco Building, including the Law Offices of Marci R. Carroll, as well as bank customers. There is a handicapped parking space which will accommodate a van in this parking lot on the far, right-hand side.

#### **MADISON ST. PARKING LOT**

This is a paid, unattended parking lot at the near end of Adams St., 1 block away from our Law Offices and opposite the post office and across the street from the movie theatre. Cost is 50¢ per hour or \$1.50 for all day, using an unattended pay slot system; you must pay in advance and be prepared to have exact change. Enter the lot either from Adams St. or Madison St. We do not recommend this lot during snowy or icy winter conditions due to the slope over much of this parking lot.

#### **UPTOWN PARKING**

Uptown Parking is a private, attended lot. This gravel lot is located on the left side of Adams St., just past the West Virginia State Office Complex. To enter, turn left at the intersection of Adams St. and Monroe St., then left into the lot entrance, wait for the attendant to park your vehicle. Cost is 75¢ per hour or \$3.00 for all day; be prepared to leave your vehicle keys with the attendant and to pick them up before 5:00 p.m. (or have a spare set with you; they can lock the set that you give them in your car upon request).

#### **MID-CITY PARKING LOT**

Mid-City is the largely unattended parking lot under the Col. George S. "Spanky" Roberts Bridge. At the end of the bridge (see Weber's Flowers on right at end of bridge), turn right onto Cleveland Ave., right onto Everest Dr., right onto Kirk Way, and right at lot entrance at "Free Parking" sign. (Be advised that this lot may flood in heavy rains; also, since the City of Fairmont has not yet converted it to a paid lot, it is usually full.) After parking, take the elevator up to the bridge; turn right onto the sidewalk and proceed to end of bridge. Cross Cleveland Ave. to Adams St., proceed to the WesBanco Building on the other end of Adams St.

#### **ON-STREET PARKING**

Parking on the main streets of downtown is metered. On Adams St., the meters are 25¢ per ½ hour, with 1 hour maximum time. Most of the side street (Monroe St., Jefferson St., and Madison St.) meters are 25¢ per hour and have 2 hour maximum time limits. Please keep in mind that interrupting your appointment to "feed the meter" is disruptive and discouraged. Further, we have found that the 1 hour meters frequently do not allow sufficient time for initial consultations or appointments. On-street parking includes several designated handicapped parking spaces throughout the length of Adams Street *but only up through the courthouse area*. The on-street handicapped parking closest to the WesBanco Building is located in front of the Jefferson St. side of the Marion County Courthouse.
